

Estimate Import Taxes.

Items that are imported into Curaçao are subjected to Import Taxes.

Nieuwe Post N.V has in-house Customs' service.

Please find below a list of products and their pertained estimate of the Import Tax percentage that they might be subjected to. This list is only intended to be used as a guide.

The actual Import Tax that is levied to imported items, is the prerogative of the Custom officials only, since these are determined at the actual inspection of the items.
