YOUR PROPOSAL PLANNER

Your dedicated proposal planner will guide you through every step of the engagement process at Baoase. No need to worry about a thing, we will arrange everything so that you only have to focus on getting down on one knee. Our proposal planners are more than happy to help with any customized proposals or choose one of our own proposal packages.

SELECTING THE DATE

Let us help you pick the perfect date, which we are happy to hold after a deposit is made.

THE PERFECT TIME

Proposals are usually planned during sunset between 06:00 PM — 06.30 PM. If a photographer is involved, we highly recommend starting no later than 05:30 PM since the lighting will then be perfect for taking photos.

POP THE QUESTION

If needed, together with your proposal planner and our restaurant team, we can assist you with that special moment where you pop the question. Some prefer to do it spontaneously, some like to plan it in advance. Let us know your wishes so we can make sure your proposal will be everything you ever dreamt it would be.

PROPOSAL PACKAGES

PACKAGE 1: LOCAL FISHERMAN

USD
399
per couple

You and fiancé-to-be will be relaxing at one of the most beautiful and romantic oases of the Caribbean. Surrounded by palm trees while hearing the whispering of the sea, you both slowly watch the sun set into the lagoon.

While enjoying a drink, a fisher boat will moor in the lagoon at sunset time (06:00 PM - 06:30 PM). The local fisherman steps out of his boat and walks kindly towards the both of you sitting on the beach. He introduces himself and says that he is here because he found a package in the sea with your partner's name on it. Your loved one will be very surprised and opens the box.

This is the moment where you propose. While the fisherman leaves unnoticed, we will bring you two glasses of champagne - or any other drink of choice - to toast on this special moment. Of course, the storyline could be customized to fit your preferences.

This proposal package costs USD 399 and includes a private sunset lounge area on the beach, fresh garden flowers, torches, and - of course - a fisherman that brings the box with your engagement ring. Your Baoase proposal planner will be there to coordinate the timing during and before the proposal.

All additional food and beverages will be charged. After the proposal, you can combine this package with dinner in our restaurant or with one of our Romantic & Private Dining options.

PACKAGE 2: LOCAL DIVER

USD
299
per couple

Whilst enjoying the amazing Curaçao sunset (06:00 PM – 06:30 PM) with your partner on the beach near the lagoon of Baoase, a local diver pops up and asks where he is. While chatting, he mentions to have found a small box in the ocean and asks if you are interested in having it. You, of course, do not want to be rude so you take the box from him.

Inside the box, we have safely placed your engagement ring. This is the moment where the diver will leave quietly, and you propose. After a happy ending, we will bring you two glasses of champagne to bring out a toast to the special moment.

This wedding proposal package costs USD 299 and includes a private sunset area close to the water on the beach, fresh garden flowers, torches and – of course - a diver that brings you the box with your engagement ring. Your proposal planner will also be there to coordinate the timing before and during the proposal.

This proposal option is also available on the beach of one of our Superior Beachfront Pool Suites when staying in one, or to non-resort guests when booking a minimum of a 2-night stay in one of our Superior Beachfront Suites (subject to availability). All additional food and beverages will be charged. After the proposal, you can combine this package with dinner in our restaurant or with one of our Romantic & Private Dining options.

While approaching the lagoon, a big heart with the words “will you marry me” written in the sand will become visible.
